

Pink Torso Model

Digestive Anatomy

<u>Model #</u>	<u>Structure</u>
A	Labia
No Label	Vestibule (inferior to B)
No Label	Oral Cavity
16	Tongue
VII	Hard palate
24	Soft palate
No Label	Teeth (b/t VI & VIII)
24a	Uvula
	 Salivary Glands
17	Sublingual
22	Submandibular
23	Parotid (See right side of head)
Not Visible	Oropharynx
Not Visible	Laryngopharynx
34	Esophagus (inferior & superior to diaphragm)
22	 Stomach
26	Lesser Curvature
27	Greater Curvature
39	Rugae
23	Cardiac Region
24	Fundus
22	Body
25	Pylorus
25 Arrow	Pyloric Sphincter
	 Small Intestine
29	Duodenum (See posterior surface)
30	Jejunum
31a	Ileum (See anterior surface)
31b	Ileum at Ileocaecal Junction

<u>Model #</u>	<u>Structure</u>
	Large Intestine
32	Caecum / Haustra
34	Ileocaecal Junction
33	Appendix (See posterior surface)
35	Ascending Colon
36	Transverse Colon
37	Descending Colon
38	Sigmoid Colon
39	Rectum
40	Anus / Anal Orifice
28	Pancreas
	Liver
11a	Right Lobe
11b	Left Lobe
14	Quadrante Lobe
15	Caudate Lobe
20	Gallbladder
No Label	Hepatic Bile Duct (superior to 18)
19	Cystic Bile Duct
18	Common Bile Duct
Not Visible	Parietal Peritoneum (See alternate Purple Torso Model)
No Label	Visceral Peritoneum (See surface of stomach & small intestines & alternate Purple Torso Model)
41	Mesentary (See posterior side of small intestines)
No Label	Greater Omentum (Origin visible inferior to 27) (See alternate Purple Torso Model)
Not Visible	Lesser Omentum (See Cat)
	Mesocolon
42a	Transverse (See top of large intestine)
42b	Sigmoid (See anterior surface of large intestine)
